

Specialized gloves. Manufacturing expertise.

FIRETAC SAFETY supplies protective gloves for fire departments, industrial buyers, PPE distributors and government agencies. Backed by 20 years of manufacturing experience, we offer FIRETAC-branded products and OEM/private-label solutions.

CORE PRODUCTS & CAPABILITIES

- **Structural firefighter gloves.** Hand protection for structural firefighting applications.
- **Arc-flash gloves.** Options with arc ratings of 40, 50 and 80 cal/cm² for electrical safety applications.
- **Additional PPE.** Rescue and extrication gloves, wildland gloves, protective hoods, balaclavas and gear accessories.

PRODUCT CERTIFICATIONS & TESTING

- **REX-9 firefighter gloves:** NFPA 1970:2025 certified.
- **Arc-flash gloves:** ArcWear USA tested at 40, 50 and 80 cal/cm².

Product-specific certification and test documentation available on request.

MANUFACTURING & SUPPLY SUPPORT

- **20 years of manufacturing experience.** Expertise in protective-glove development and production.
- **OEM and private label.** Customization of materials, design and branding to buyer requirements.
- **Direct manufacturing coordination.** Material sourcing, production, quality assurance and volume quotation support.
